PART III**CLINICAL PRACTICE: EVIDENCE-BASED STATE OF THE ART**

- 16. Assessment of PTSD and Its Comorbidities in Adults** 283
Nicholas A. Livingston, Deborah J. Brief, Mark W. Miller,
and Terence M. Keane
- 17. Assessment of PTSD in Children and Adolescents** 299
Ernestine C. Briggs, Kate Nooner, and Lisa M. Amaya-Jackson
- 18. Early Intervention Following Trauma** 314
Alvi Azad, Leonard Skipper, Gary H. Wynn,
and David M. Benedek
- 19. Psychosocial Treatments for Adults with PTSD** 330
Tara E. Galovski, Carmen P. McLean, C. Adrian Davis,
and Jennifer S. Wachen
- 20. Psychosocial Treatments for Children and Adolescents
with PTSD** 360
Judith A. Cohen and Anthony P. Mannarino
- 21. Empirically Supported Couple and Family Therapies
for PTSD** 377
Candice M. Monson, Alexandra Macdonald, Steffany J. Fredman,
Jeremiah A. Schumm, and Casey Taft
- 22. Group Treatments for PTSD** 400
J. Gayle Beck and Denise M. Sloan
- 23. Pharmacotherapy for PTSD** 414
Lori Davis, Patricia Pilkinton, and Garrett Aikens
- 24. Treating PTSD When Common Comorbid Disorders
Are Present** 445
Sonya B. Norman, Elizabeth Straus, Robert C. Lyons,
Laura D. Crocker, Peter J. Colvonen, and Jessica C. Tripp
- 25. Trauma Exposure, PTSD, and Physical Health** 462
Paula P. Schnurr, Jennifer S. Wachen, Bonnie L. Green,
and Stacey Kaltman

PART IV EMERGING TERRITORY

- 26. Culture, Trauma, and Traumatic Stress among Refugees, Asylum Seekers, and Postconflict Populations** 483
Derrick Silove and Louis Klein
- 27. PTSD and the Law: Forensic Considerations** 501
Dean G. Kilpatrick, Alexander C. McFarlane,
and Lucy A. Guarnera
- 28. Technology-Based Interventions for PTSD** 518
Josef I. Ruzek
- 29. Treating PTSD Using Telemental Health Technology** 535
Leslie A. Morland, Lisa H. Glassman, Carolyn J. Greene,
Julia E. Hoffman, and Craig Rosen
- 30. Psychoneurobiology of Resilience** 551
Lynnette A. Averill, Christopher L. Averill, Robert H. Pietrzak,
Dennis S. Charney, and Steven M. Southwick
- 31. Public Mental Health Interventions Following Disasters** 570
Joshua C. Morganstein, Holly B. Herberman Mash,
Mary C. Vance, Carol S. Fullerton, and Robert J. Ursano
- 32. Dissemination and Implementation of Best Practices
in Prevention and Treatment of PTSD** 589
Shannon Wiltsey Stirman
- 33. Key Questions and an Agenda for Future Research** 604
Matthew J. Friedman, Paula P. Schnurr,
and Terence M. Keane
