## 1 History of Psychology through Symbols: From Reflective Study to Active Engagement

1

### *Introduction* 1

### *How to Engage the Text* 2

*Assume a Critical-Emancipatory Perspective* 2

*Engage Symbols as a Universal Teacher* 4

*Embrace the Existence of Shadow in All Human Activity* 8

*Situate Psychological History in Political, Socioeconomic, and Cultural Systems* 10

*Apply History to Daily Life* 14

### *How to Engage Each Chapter* 14

*Reflect on Each Symbol* 14

*Read the Political, Socioeconomic, and Cultural Systems Analysis* 14

*Read the Historic Developments in Psychology* 14

*Consider Applying the Emancipatory Opportunities* 14

*Answer Key Course Questions* 15

*Review the Universal Meanings of the Chapter Symbols* 15

*Review References* 15

*Review the Impact of Symbols on Learning* 15

### *How to Engage the Two Volumes* 15

*Volume One – The Historic Roots of Modern Psychology* 15

*Volume Two – The Development of Modern Psychology* 17

*The Four Forces of Modern Psychology* 17

*The First Force – Psychodynamic Psychology* 17

*The Second Force – Behavioral Psychology* 18

*The Third Force – Humanistic-Existential Psychology* 18

*The Fourth Force – Transpersonal Psychology* 19

### *Questions* 1 19

### *Universal Meanings of the Chapter Symbols* 20

### *References* 20
